

## Emily Dutch

### Vice President

Emily oversees Raines International's Boston office and is responsible for search execution as well as business development for clients primarily within the technology, media, telecom, consumer goods, and retail industries. She specializes in corporate strategy, sales and marketing, operations, and IT.

Since joining Raines International in 2007, Emily has supported and led various search assignments at the individual and group expansion levels while establishing relationships with a broad reach of candidates including executives in North and South America, Latin America, Europe, the United Arab Emirates, and Asia. Recent Searches include an e-commerce leadership position with a Fortune 100 company, a GM role in an enterprise Software & Services company, and operating group roles within a top Private Equity firm.

Emily graduated *magna cum laude* and *phi beta kappa* from Villanova University with a Bachelor of Arts degree in Communications and Business. She is currently on the board for Emerging Leaders for the Massachusetts Chapter of Raising a Reader and is a member of UNICEF's Next Generation Committee in Boston. Emily is also actively involved in the Villanova Alumni Society and is a marathon runner.
