

Raines International Inc. Appoints New Managing Director

Mary Lee Amendolia Spearheads Firm's Healthcare Practice

New York ([PRWEB](#)) December 07, 2011 -- Raines International Inc., one of the country's leading retained executive search firms, recently announced that Mary Lee Amendolia was named Managing Director.

Since rejoining Raines International last year, Ms. Amendolia has driven the growth of the company's Healthcare Practice and provided continued support to its Financial Services and Strategy Practices. She applies her extensive executive search experience and expertise across the functional areas of Corporate Development and Strategy, Marketing, Product Development, and Communications.

“Mary Lee is an extraordinary talent, and her client-centric, collaborative approach is a major asset for Raines International's senior management team,” said Bruce Raines, President and CEO of Raines International. “Her leadership in healthcare at such a pivotal and dynamic point for the industry has further developed our firm's specialty practices, and supports our continued growth as a diversified services firm.”

About Raines International Inc.

Raines International Inc., one of the country's preeminent retained executive search firms, celebrated its 40th anniversary in 2009 following consistent growth in a range of industry sectors and functional areas. Specialty Practice Areas include: Sales & Marketing, Finance, Operations, Strategy & Business Development, and Diversity. The firm's client base includes some of the world's best performing companies, leading private equity firms, and global not-for-profit organizations. The firm is a longstanding member of the Association of Executive Search Consultants (AESC) as well as the International Association for Corporate and Professional Recruitment (IACPR).
